From Monday, June 15, to about mid-August, the RapidRide E Line to downtown Seattle is not serving the stop southbound on Aurora Av N just south of N 192nd St, due to the closure of N 200th St between the Aurora Village Transit Center and Aurora Ave N for construction.

During that time, board routes 301 or 373 during the morning peak period at this bus stop and transfer to the RapidRide E Line south of here, at the bus stop southbound on Aurora Ave N, south of N 185th St.

At all other times, board the northbound RapidRide E Line to the Aurora Village Transit Center north of here, at the bus stop northbound on Aurora Ave N just north of N 192nd St and transfer to the southbound RapidRide E Line to downtown Seattle at the Aurora Village Transit Center, Bay 10.

Due to traffic congestion and bus reroutes associated with this construction project, most buses arriving at the Aurora Village Transit Center and the Shoreline P&R will be delayed. Please plan accordingly and allow extra travel time when traveling to and from these locations.

Thank you for your understanding and cooperation.
